

GAP YEAR PROGRAMS

Are you thinking about taking a Gap Year?

PROVIDING SERVICES TO INTERNATIONAL STUDENTS
AND PROFESSIONALS SINCE 2005

**Do you want to
expand your horizons,
both personally and
professionally?**

Euroace Gap Year programs offer an exciting opportunity to learn, improve your skills and gain valuable life experience.

We are situated in Valencia, on the east coast of Spain, home to an enchanting old town, glorious Mediterranean beaches, sunny weather almost all year round and a cosmopolitan city environment.

The unique feature of our Gap Year programs is that they are totally customizable to suit you. You get to choose:

- The length of your stay; whether it be 3 months or a full year
- The focus of your stay; from learning Spanish to taking on a professional internship
- The services you require; living with a host family, learning Spanish at our language school or volunteering at a local organization to name a few

All of our programs enable you to make the most of your Gap Year and achieve the goals you set out to do, plus a whole lot more!

“A Gap Year is a perfect opportunity to step out of your comfort zone, learn about a new culture and open your mind to new perspectives and ideas”.

Gap Year Programs:

Spanish Language Program

If you want to use your Gap Year to learn Spanish and improve your communication and comprehension skills, then this program is for you. Our Spanish language courses help you to improve in all communication areas within a practical learning environment.

This program focuses on creating a full Spanish immersion, meaning that classes are designed to be interactive and to better your language skills for the real world. Teachers are all native Spanish speakers and classes are delivered exclusively in Spanish.

In addition to the language course element, we highly recommend combining this program with cultural activities to improve your knowledge of the local culture and customs of this region. Another feature you can select would be to live with a host family during your stay here. This is a great way to enhance your language skills as it will extend your learning outside of the classroom, and give you the chance to experience the true Spanish culture and language that is actually spoken!

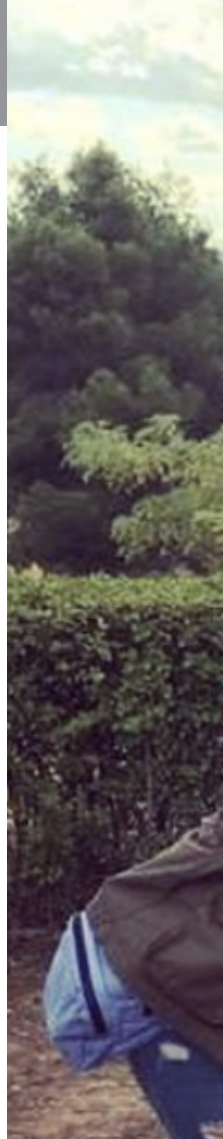

As a whole, this program takes you out of your comfort zone, into a beautiful new culture, and will definitely help you grow on a personal level.

Internship Program

Our Internship Gap Year program enables you to spend your time gaining real world business experience in the field of your choice, with a company here in Valencia. You can choose from a diverse range of fields to find the right internship for you. This experience is invaluable for your resume and will certainly boost your international business skills.

How does it work?

- You select the internship sector
- You provide us with a resume (CV) and Cover Letter that we can share with companies in Valencia
- We discuss your profile with local companies and select the best offers for you, based on your profile and requirements
- You select the offer that most interests you
- You decide the length of your own internship

This Gap Year program is a great opportunity for you for many reasons. It's not just work experience, it's a chance to:

- Create a global network
- Learn how your industry operates on a global scale
- Work with international colleagues in a diverse work environment
- Enhance future employment opportunities
- Form new friendships

We recommend combining the Internship program with Spanish classes to further your professional learning and gain a wholesome Gap Year experience. Using your time to improve your professional skills, better your language skills and live in a new city is a sure way to make your Gap Year a successful one!

Volunteer Program

Our Volunteer Gap Year program in Valencia is a perfect opportunity to get involved with community projects and local organizations, to help those from underprivileged backgrounds.

Our volunteer program is essentially an experiential learning program that will not only benefit the lives of others less fortunate than you – but will also develop your own skills and personal opportunities too!

Here's an idea of some of the projects and areas you can get involved with, based on the organizations we partner with here in Valencia:

- Working with populations at risk of social exclusion e.g. youth and elderly communities
- Collaborating with local conservation projects and environmental organizations
- Giving a hand to community service work
- Assisting local agricultural companies
- Collaborating with local NGO's and their community outreach projects
- Working with NGO's by assisting the homeless communities
- Teaching and assisting underprivileged children at after school clubs

These are just some of the areas you can choose to volunteer in during your Gap Year program. In order to enhance the impact you have during your volunteer period, you could sign up for one of our Spanish language courses, improving your communication abilities with the communities you are working with. This program is sure to be a life-changing experience and a perfect way to spend your Gap Year!
